

# **NOBODY LIKES PAYING HIGH PROPERTY TAXES!**

County Clerk Joe Mihalko wants to remind you that you can help lower your county property taxes by using local DMV services. When you use local services, 12.7% of your fees stay local. When you renew on-line or mail your renewal to New York State, those fees are diverted to Albany's general fund. If everyone renewed their vehicle registrations locally (including motorcycles, boats, snowmobiles and trailers), Broome County would retain more than \$400,000 of revenue, which could be used to offset our county property taxes!

To make things easy for you, mail your vehicle registration renewal (including motorcycles, boats, snowmobiles and trailers), to our local office with the pre-printed address card below:

Broome County DMV  
81 Chenango Street  
Binghamton, NY 13901
