

**BROOME COUNTY
DIVISION OF SOLID WASTE MANAGEMENT**

**HAZARDOUS WASTE & ELECTRONICS
CONFIRMATION LETTER**

BRING THIS LETTER WITH YOU TO THE COLLECTION

For your safety and convenience, please read the following carefully and sign the affidavit below:

PLEASE NOTE: There is no fee for this service

The hazardous waste facility is located at the Broome County Landfill at 286 Knapp Rd., Binghamton, NY. At the Landfill, drive to the scale house (the little yellow building) and the attendant will direct you to the Facility. You may have to wait a few minutes before your vehicle can be unloaded, thank you in advance for your patience.

WHAT CAN I BRING?

MATERIALS ACCEPTED:

Hazardous Waste

- Pesticides, poisons, and fertilizers
- Solvents, cleaners, and degreasers
- Photographic and pool chemicals
- Polishes and floor care products
- Acids and caustics
- Fluorescent bulbs
- Oils, paints, stains, and varnishes
- Used oil filters, and lubricants
- Adhesives and glues
- Driveway sealers

Electronics

- Computers, monitors, printers, laptops, keyboards
- Televisions, VCRs, modems, stereos, radios
- Fax machines, copiers, pagers, mobile phones and microwaves

Up to 3 TV's & 3 monitors per resident

MATERIALS NOT ACCEPTED:

***Latex paint can be dried and placed in the trash with the lid removed. For more information call 778-2250.**

Hazardous Waste

- Medical waste (biohazard, red bag or infectious) and radioactive waste
- Asbestos (or containing asbestos)
- Shock sensitive materials (picric acid)
- Explosives or ammunition
- Smoke detectors should be wrapped in newspaper, bagged and placed in the trash.

Electronics

- Counter top appliances, telephones, answering machines and vacuums can be put in your regular household trash.
- Large appliances (dryers, dehumidifiers, air conditioners, etc.) can be brought to the landfill for proper recycling.

HOW SHOULD THE WASTE BE TRANSPORTED?

1. Bring wastes in original or hand-labeled containers with caps and lids fully tightened. Never mix hazardous materials together.
2. Pack wastes in sturdy boxes and place newspaper or cardboard between containers to prevent spills. Wrap leaking containers in newspaper and place in a plastic bag.
3. Transport wastes in car trunk or truck bed or as far away as possible from passengers in a well-ventilated vehicle. Secure the load to prevent shifting during transport.
4. DO NOT eat, drink, or smoke while packing, transporting or dropping off hazardous waste. Please leave children and pets at home.
5. At the facility, please remain in your car. Trained personnel will unload your vehicle.

I certify that the material offered for disposal was generated from ___ (indicate how many) household(s) within Broome County, in the State of New York, and is not in any way associated with any business or commercial enterprise.
