The tax imposed by this article shall be paid upon any occupancy on and after October 1, 2007, although such occupancy is had pursuant to a contract, lease or other arrangement made prior to such date. Where rent is paid or charged or billed, or falls due on either a weekly, monthly or other term basis, the rent so paid, charged, billed or falling due shall be subject to the tax herein imposed to the extent that it covers any portion of the period on and after October 1, 2007. Where any tax has been paid hereunder upon any rent which has been ascertained to be worthless, the **[Commissioner of Finance] Director of Management and Budget** may by regulation provide for credit and/or refund of the amount of such tax upon application therefor as provided in § 185-21 of this article.
- F. For the purposes of the proper administration of this article and to prevent evasion of the tax hereby imposed, it shall be presumed that all rents are subject to tax until the contrary is established, and the burden of proving that a rent for occupancy is not taxable hereunder shall be upon the operator, except that, where by regulation pursuant to Subsection D of this section an occupant is required to file returns and pay directly to the **[Commissioner of Finance] Director of Management and Budget** the tax herein imposed, the burden of proving that a rent for occupancy is not taxable shall be upon the occupant. Where an occupant claims exemption from the tax under the provisions of § 185-12 of this article, the rent shall be deemed taxable hereunder unless the operator shall receive from the occupant claiming such exemption a certificate duly executed by an exempt corporation or association certifying that the

occupant is its agent, representative or employee, together with a certificate executed by the occupant certifying that his occupancy is paid or to be paid by such exempt corporation or association, and is necessary or required in the course of or in connection with the occupant's duties as a representative of such corporation or association. Where deemed necessary by the operator, he may further require that any occupant claiming exemption from the tax furnish a copy of a certificate issued by the **[Commissioner of Finance] Director of Management and Budget** certifying that the corporation or association therein named is exempt from the tax under § 185-12.

**§ 185-16. Recordkeeping.**

Every operator shall keep records of every occupancy and of all rent paid, charged or due thereon and of the tax payable thereon, in such form as **the [Commissioner of Finance] Director of Management and Budget** may by regulation require. Such records shall be available for inspection, examination and audit at any time upon demand by the **[Commissioner of Finance] Director of Management and Budget** or his duly authorized agent or employee and shall be preserved for a period of three years, except that the **[Commissioner of Finance] Director of Management and Budget** may consent to their destruction within that period or may require that they be kept longer.

**§ 185-17. Returns.**

- A. Every operator (except exempt operators as provided in §§ 185-10 and 185-14 above) shall file with the **[Commissioner of Finance] Director of Management and Budget** a return of occupancy and of rents and of the taxes payable thereon for the periods ending on the last day of February, May, August and November of each year, on and after January 1, 1978. Such returns shall be filed within 20 days from the expiration of the period covered thereby. The **[Commissioner of Finance] Director of Management and Budget** may permit or require returns to be made by other periods and upon such dates as he may specify. If the **[Commissioner of Finance] Director of Management and Budget** deems it necessary in order to ensure the payment of the tax imposed by this article, he may require returns to be made for shorter periods than those prescribed pursuant to the foregoing provisions of this subsection and upon such dates as he may specify.
- B. The forms of returns shall be prescribed by the **[Commissioner of Finance] Director of Management and Budget** and shall contain such information as he may deem necessary for the proper administration of this article. The **[Commissioner of Finance] Director of Management and Budget** may require amended returns to be filed within 20 days after notice and to contain the information specified in the notice.
- C. If a return required by this article is not filed, or a return when filed is incorrect or insufficient on its face, the **[Commissioner of Finance] Director of Management and Budget** shall take the necessary steps to enforce the filing of such a return or of a corrected return.

**§ 185-18. Payment of taxes.**

- A. At the time of filing a return of occupancy and of rents, each operator (except exempt operators) shall pay to the **[Commissioner of Finance] Director of Management and Budget** the taxes imposed by this article upon the rents required to be included in such return, as well as all other moneys collected by the operator acting or purporting to act under the provisions of this article. Where the **[Commissioner of Finance] Director of Management and Budget** in his discretion deems it necessary to protect revenues to be obtained under this article, he may require any operator required to collect the tax imposed by this article to file with him a bond, issued by surety company authorized to transact business in this state and approved by the Superintendent of Insurance of this state as to solvency and responsibility, in such amount as the **[Commissioner of Finance] Director of Management and Budget** may fix to secure the payment of any tax and/or penalties and interest due or which may become due from such operator.

- B. In the event that the **[Commissioner of Finance] Director of Management and Budget** determines that an operator is to file such bond, he shall give notice to such operator to that effect, specifying the amount of the bond required. The operator shall file such bond within five days after the giving of such notice, unless within such five days the operator shall request, in writing, a hearing before the **[Commissioner of Finance] Director of Management and Budget** at which the necessity, propriety and amount of the bond shall be determined by the **[Commissioner of Finance] Director of Management and Budget**. Such determination shall be final and shall be complied with within 15 days after the giving of notices thereof. In lieu of such bond, securities approved by the **[Commissioner of Finance] Director of Management and Budget**, or cash in such amount as he may prescribe, may be deposited which shall be kept in the custody of the **[Commissioner of Finance] Director of Management and Budget**, who may at any time without notice to the depositor apply them to any tax and/or interest or penalties due, and for that purpose the securities may be sold by him at public or private sale without notice to the depositor thereof.

**§ 185-19. Determination of taxes by [Commissioner of Finance] Director of Management and Budget.**

- A. If a return required by this article is not filed, or if a return when filed is incorrect or insufficient, the amount of tax due shall be determined by the **[Commissioner of Finance] Director of Management and Budget** from such information as may be obtainable and, if necessary, the tax may be estimated on the basis of external indices, such as the number of rooms, the location, the scale of rents, comparable rents, the type of accommodations and service, the number of employees and/or other factors.
- B. Notice of such determination shall be given to the person liable for the collection and/or payment of the tax. Such determination shall finally and irrevocably fix the tax unless the person against whom it is assessed, within 30 days after giving of notice of such determination, shall apply to the **[Commissioner of Finance] Director of Management and Budget** for a hearing, or unless the **[Commissioner of Finance] Director of Management and Budget** of his own motion shall redetermine the same. After such hearing, the **[Commissioner of Finance] Director of Management and Budget** shall give notice of his determination to the person against whom the tax is assessed. The determination of the **[Commissioner of Finance] Director of Management and Budget** shall be reviewable for error, illegality or unconstitutionality or any other reason whatsoever by proceeding under Article 78 of the Civil Practice Law and Rules if application therefor is made to the Supreme Court within 30 days after the giving of the notice of such determination.
- C. A proceeding under Article 78 of the Civil Practice Law and Rules shall not be instituted unless the amount of any tax sought to be reviewed, with penalties and interest thereon, if any, shall be first deposited with the **[Commissioner of Finance] Director of Management and Budget** and there shall be filed with the **[Commissioner of Finance] Director of Management and Budget** an undertaking, issued by a surety company authorized to transact business in this state and approved by the Superintendent of Insurance of this state as to solvency and responsibility, in such amount as a justice of the Supreme Court shall approve to the effect that if such proceeding is dismissed or the tax is confirmed the petitioner will pay all costs and charges which may accrue in the prosecution of the proceeding; or, at the option of the applicant, such undertaking filed with the **[Commissioner of Finance] Director of Management and Budget** may be in a sum sufficient to cover the taxes, penalties and interest thereon stated in such determination plus the costs and charges which may accrue against it in the prosecution of the proceeding, in which event the applicant shall not be required to deposit such taxes, penalties and interest as a condition precedent to the application.

**§ 185-21. Refunds.**

- A. In the manner provided in this section, the **[Commissioner of Finance] Director of Management and Budget** shall refund or credit, without interest, any tax, penalty or interest erroneously, illegally or unconstitutionally collected or paid if application to the **[Commissioner of Finance] Director of Management and Budget** for such refund shall be made within one year from the payment thereof. Whenever a refund is made by the **[Commissioner of Finance] Director of Management and Budget**, he shall state his reason therefor in writing. Such application may be made by the occupant, operator or other person who has actually paid the tax. Such application may also be made by an operator who has collected and paid over such tax to the **[Commissioner of Finance] Director of Management and Budget**, provided that the application is made within one year of the payment of the occupant to the operator, but not actual refund of moneys shall be made to such operator until he shall first establish to the satisfaction of the **[Commissioner of Finance] Director of Management and Budget**, under such regulations as the **[Commissioner of Finance] Director of Management and Budget** may prescribe, that he has repaid to the occupant the amount for which the application for refund is made. The **[Commissioner of Finance] Director of Management and Budget** may, in lieu of any refund required to be made, allow credit therefor on payments due from the applicant.
- B. An application for a refund or credit made as herein provided shall be deemed an application for a revision of any tax, penalty or interest complained of, and the **[Commissioner of Finance] Director of Management and Budget** may receive evidence with respect thereto. After making his determination, the **[Commissioner of Finance] Director of Management and Budget** shall give notice thereof to the applicant, who shall be entitled to review such determination by a proceeding pursuant to Article 78 of the Civil Practice Law and Rules, provided that such proceeding is instituted within 30 days after the giving of notice of such determination, and provided that a final determination of tax due was not previously made. Such a proceeding shall not be instituted unless an undertaking is filed with the **[Commissioner of Finance] Director of Management and Budget** in such amount and with such sureties as a Justice of the Supreme Court shall approve to the effect that, if such proceedings are dismissed or the tax confirmed, the petitioner will pay all costs and charges which may accrue in the prosecution of such proceeding.
- C. A person shall not be entitled to a revision, refund or credit under this section of a tax, interest or penalty which had been determined to be due pursuant to the provisions of § 185-19 of this article where he has had a hearing or an opportunity for a hearing, as provided in said section, or has failed to avail himself of the remedies therein provided. No refund or credit shall be made of a tax, interest or penalty paid after a determination by the **[Commissioner of Finance] Director of Management and Budget** after a hearing of his own motion or in a proceeding under Article 78 of the Civil Practice Law and Rules, pursuant to the provisions of said section, in which event refund or credit without interest shall be made of the tax, interest or penalty found to have been overpaid.

**§ 185-23. Remedies to be exclusive.**

The remedies provided by § § 185-19 and 185-21 of this article shall be exclusive remedies available to any person for the review of tax liability imposed by this article, and no determination or proposed determination of tax or determination on any application for refund shall be enjoined or reviewed by an action for declaratory judgment, an action for money had and received or by any action or proceeding other than a proceeding in a nature of a certiorari proceeding under Article 78 of the Civil Practice Law and Rules; provided, however, that a taxpayer may proceed by declaratory judgment if he institutes suit within 30 days after a deficiency assessment is made and pays the amount of the deficiency assessment to the **[Commissioner of Finance] Director of Management and Budget** prior to the institution of such suit and posts a bond for costs as provided in § 185-19 of this article.

**§ 185-24. Proceedings to recover tax.**

- A. Whenever any operator or any officer of a corporate operator or any occupant or other person shall fail to collect and pay over any tax and/or to pay any tax, penalty or interest imposed by this article as herein provided, the County Attorney shall, upon the request of the **[Commissioner of Finance] Director of Management and Budget**, bring or cause to be brought an action to enforce the payment of the same on behalf of the County of Broome in any court of the State of New York or of any other state of the United States. If, however, the **[Commissioner of Finance] Director of Management and Budget** in his discretion believes that any such operator, officer, occupant or other person is about to cease business, leave the state or remove or dissipate the assets out of which the tax or penalties might be satisfied, and that any such tax or penalty will not be paid when due, he may declare such tax or penalty to be immediately due and payable and may issue a warrant immediately.
- B. As an additional or alternate remedy, the **[Commissioner of Finance] Director of Management and Budget** may issue a warrant, directed to the Sheriff, commanding him to levy upon and sell the real and personal property of the operator or officer of a corporate operator or other person liable for the tax, which may be found within the county, for the payment of the amount thereof, with any penalties and interest, and the cost of executing the warrant, and to return such warrant to the **[Commissioner of Finance] Director of Management and Budget** and to pay to him the money collected by virtue thereof within 60 days after the receipt of such warrant. The Sheriff shall, within five days after the receipt of the warrant, file with the County Clerk a copy thereof, and thereupon such Clerk shall enter in the judgment docket the name of the person mentioned in the warrant and the amount of the tax, penalties and interest for which the warrant is issued and the date when such copy is filed. Thereupon the amount of such warrant so docketed shall become a lien upon the interest in real and personal property of the person against whom the warrant is issued. The Sheriff shall then proceed upon the warrant in the same manner and with like effect as that provided by law in respect to executions issued against property judgments of a court of record, and for services in executing the warrant he shall be entitled to the same fees, which he may collect in the same manner. In the discretion of the **[Commissioner of Finance] Director of Management and Budget**, a warrant of like terms, force and effect may be issued and directed to any officer or employee of the **[Commissioner of Finance] Director of Management and Budget**, and in the execution thereof such officer or employee shall have all the powers conferred by law upon sheriffs, but shall be entitled to no fee or compensation in excess of the actual expenses paid in the performance of such duty. If a warrant is returned not satisfied in full, the **[Commissioner of Finance] Director of Management and Budget** may from time to time issue new warrants and shall also have the same remedies to enforce the amount due thereunder as if the county has recovered judgment therefor and execution thereon has been returned unsatisfied.
- C. Whenever an operator shall make a sale, transfer or assignment in bulk of any part or the whole of his hotel or motel, of his lease, license or other agreement or right to possess or operate such hotel or motel or of the equipment, furnishings, fixtures, supplies or stock of merchandise, or said premises or lease, license or other agreement or right to possess or operate such hotel or motel and the equipment, furnishings, fixtures, supplies and stock of merchandise pertaining to the conduct or operation of said hotel or motel otherwise than in the ordinary and regular prosecution of business, the purchaser, transferee or assignee shall, at least 10 days before taking possession of the subject of the sale, transfer or assignment or paying therefor, notify the **[Commissioner of Finance] Director of Management and Budget** by registered mail of the proposed sale and of the price, terms and conditions thereof, whether or not the seller, transferor or assignor has represented to or informed the purchaser, transferee or assignee that it owes any tax pursuant to this article, and whether or not

the purchaser, transferee or assignee has knowledge that such taxes are owing, and whether any such taxes are in fact owing.

- D. Whenever the purchaser, transferee or assignee shall fail to give notice to the **[Commissioner of Finance] Director of Management and Budget** as required by the preceding subsection, or whenever the **[Commissioner of Finance] Director of Management and Budget** shall inform the purchaser, transferee or assignee that a possible claim for such tax or taxes exists, any sums of money, property or choses in action, or other consideration, which the purchaser, transferee or assignee is required to transfer over to the seller, transferor or assignor shall be subject to a first priority right and lien for any such taxes theretofore or thereafter determined to be due from the seller, transferor or assignor to the county, and the purchaser, transferee or assignee is forbidden to transfer to the seller, transferor or assignor any such sums of money, property or choses in action to the extent of the amount of the county's claim. For failure to comply with the provisions of this subsection, the purchaser, transferee or assignee, in addition to being subject to the liabilities and remedies imposed under the provisions of Article 6 of the Uniform Commercial Code, shall be personally liable for the payment to the county of any such taxes theretofore or thereafter determined to be due to the county from the seller, transferor or assignor, and such liability may be assessed and enforced in the same manner as the liability for tax under this article.

**§ 185-25. General powers of [Commissioner of Finance] Director of Management and Budget.**

- A. In addition to the powers granted to the **[Commissioner of Finance] Director of Management and Budget** in this article, he is hereby authorized and empowered to:

(1) Make, adopt and amend rules and regulations appropriate to the carrying out of this

article and the purposes thereof.

(7) Assess, determine, revise and readjust the taxes imposed under this article.

- B. Administration of oaths and compelling testimony.

(1) The **[Commissioner of Finance] Director of Management and Budget** or his employees or agents duly designated and authorized by him shall have power to administer oaths and take affidavits in relation to any matter or proceeding in the exercise of their powers and duties under this article. (2) A Justice of the Supreme Court, either in court or at chambers, shall have power summarily to enforce by proper proceedings the attendance and testimony of witnesses and the production and examination of books, papers and documents called for by the subpoena of the **[Commissioner of Finance] Director of Management and Budget** under this article.

(3) Any person who shall refuse to testify or to produce books or records or who shall testify falsely in any material matter pending before the **[Commissioner of Finance] Director of Management and Budget** under this article shall be guilty of a misdemeanor, punishment for which shall be a fine of not more than \$1,000 or imprisonment for not more than one year, or both such fine and imprisonment.

(4) The officers who serve the summons or subpoena of the **[Commissioner of Finance] Director of Management and Budget** and witnesses attending in response thereto shall be entitled to the same fees as are allowed to officers and witnesses in civil cases in courts of record, except as herein otherwise provided. Such officers shall be the County Sheriff and his duly appointed deputies or any officers or employees of the **[Department of Finance] Office of Management and Budget** designated to serve such process.

**§ 185.27. Penalties and interest.**

- A. Any person failing to file a return or to pay over any tax to the **[Commissioner of Finance] Director of Management and Budget** within the time required by this article shall be subject to a penalty of 5% of the amount of tax due, plus interest at the rate of 1% of such tax for each month of delay, excepting the first month after such return was required to be filed or such tax became due; but the **[Commissioner of Finance] Director of Management and Budget**, if satisfied that the delay was excusable, may remit all or any part of such penalty, but not interest at the rate of 6% per year. Such penalties and interest shall be paid and disposed of in the same manner as other revenues from this article. Unpaid penalties and interest may be enforced in the same manner as the tax imposed by this article.
- B. Any operator or occupant and any officer of a corporate operator or occupant failing to file a return required by this article, or filing or causing to be filed or making or causing to be made or giving or causing to be given any return, certificate, affidavit, representation, information, testimony or statement required or authorized by this article which is willfully false, and any operator and any officer of a corporate operator willfully failing to file a bond required to be filed pursuant to § 185-19 of this article, or failing to file a registration certificate and such data in connection therewith as the **[Commissioner of Finance] Director of Management and Budget** may by regulation or otherwise require, or display or surrender the certificate of authority or exemption as required by this article, or assigning or transferring such certificate of authority or exemption, and any operator and any officer or a corporate operator willfully failing to charge separately from the rent the tax herein imposed, or willfully failing to state such tax separately on any evidence of occupancy and on any bill or statement or receipt of rent issued or employed by the operator, or willfully failing or refusing to collect such tax from the occupant, and any operator and any officer of a corporate operator who shall refer or cause reference to be made to this tax in a form or manner other than that required by this article, and any operator failing to keep the records required by § 185-16 of this article shall, in addition to the penalties herein or elsewhere prescribed, be guilty of a misdemeanor, punishment for which shall be a fine of not more than \$1,000 or imprisonment for not more than one year, or both such fine and imprisonment. Officers of a corporate operator shall be personally liable for

the tax collected or required to be collected by such corporation under this article and subject to the penalties hereinabove imposed.

- C. The certificate of the **[Commissioner of Finance] Director of Management and Budget** to the effect that a tax has not been paid, that a return, bond or registration certificate has not been filed or that information has not been supplied pursuant to the provisions of this article shall be presumptive evidence thereof.

Except in accordance with proper judicial order or as otherwise provided by law, it shall be unlawful for the **[Commissioner of Finance] Director of Management and Budget** or any officer or employee of the **[Department of Finance] Office of Management and Budget** to divulge or make known in any manner the rents or other information relating to the business of a taxpayer contained in any return required under this article. The officers charged with the custody of such returns shall not be required to produce any of them or evidence of anything contained in them in any action or proceeding in any court, except on behalf of the **[Commissioner of Finance] Director of Management and Budget** in an action or proceeding under the provisions of this article, or on behalf of any party to any action or proceeding under the provisions of this article when the returns of facts shown thereby are directly involved in such action or proceeding, in either of which events the courts may require the production of and may admit in evidence, so much of said returns or of the facts shown thereby as are pertinent to the action or proceeding, and no more. Nothing herein shall be construed to prohibit the delivery to a taxpayer or his duly authorized representative of a certified copy of any return filed in connection with his tax, nor to prohibit the publication of statistics so classified as to prevent the identification of particular returns and the items thereof, or the inspection by the County Attorney or other legal representatives of the county of the return of any taxpayer who shall bring action to set aside or review the tax based thereon, or against whom an action or proceeding has been instituted for the collection of a tax or penalty. Returns shall be preserved for three years and thereafter until the **[Commissioner of Finance] Director of Management and Budget** permits them to be destroyed.

Section 52. Section 185-49 of the Charter and Code is hereby amended to read as follows:

**§ 185.49. Taxes apportioned; deposited; appropriated.**

The balance of all moneys paid to the recording officer of Broome County during each month on account of the tax imposed pursuant to this article, after deducting the necessary expenses of his office as provided in § 262 of the Tax Law, except taxes paid upon mortgages which under the provisions of this article or § 260 of the Tax Law are first to be apportioned by the Commissioner of Taxation and Finance, shall be paid over by such officer on or before the 10th day of each succeeding month to the **[Commissioner of Finance] Director of Management and Budget** of Broome County and, after the deduction by such **[Commissioner of Finance] Director of Management and Budget** of the necessary expenses of his or her office as provided in § 262 of the Tax Law, shall be deposited in the general fund of the County of Broome and shall only be appropriated by the County Legislature of the County of Broome to fund the Office for Aging of Broome County. Notwithstanding the provisions of the preceding sentence, the tax so imposed and paid upon mortgages covering real property situated in two or more counties which under the provisions of this article or § 260 of the Tax Law are first to be apportioned by the Commissioner of Taxation and Finance shall be paid over by the recording officer receiving the same as provided by the determination of said Commissioner of Taxation and Finance.
