

# 2011 Broome County Riverbank Clean-Up

The Broome County Environmental Management Council (EMC) once again invites community groups, organizations, and individuals to participate in the annual Broome County Riverbank Clean-Up. The EMC will provide your group with supplies, arrange to have your trash picked up, and help you to select a location.

Trash and debris that is carelessly discarded or dumped throughout Broome County often ends up along our waterways, impacting their scenic beauty and water quality. The Broome County Riverbank Clean-Up is your opportunity to help keep our waterways beautiful so that they can continue to be used for recreational and scenic enjoyment. Throughout the events history, during 26 Clean-Up events, hundreds of volunteers have helped collect several tons of trash and debris from County waterways.

This year's Riverbank Clean-Up will be held:

**Saturday, October 8<sup>th</sup>, 2011**  
**9:00 am - Noon**

*Pre-registration is required by October 1<sup>st</sup>.*

You can register online at the Environmental Management Council website [www.gobroomecounty.com/emc](http://www.gobroomecounty.com/emc) or by contacting the EMC at (607) 778-2375.
