

## 2006 Rabies Vaccination Clinic for Dogs, Cats & Ferrets

Recorded Information Line – 09/03/06

---

Pets need to be at least 3 months old to receive a vaccination. While at the vaccination clinic, pets must be restrained by the owner or responsible adult. If your pet has had a previous rabies vaccination, please bring the certificate with you so that your pet may receive a three year vaccination. Without the certificate, your pet will receive a one-year vaccination. A \$5.00 donation requested but not required. All pets will be vaccinated regardless of ability to donate. If you have any questions, contact the Broome County Health Department – (607) 778-2887.
