

2008 Rabies Vaccination Clinics

Recorded Information Line – 03/12/08
Option 1

Anyone that has a dog, cat, or domesticated ferret that is at least three months old is welcome to bring their pet to one of the Broome County Health Department sponsored rabies vaccination clinics. If your pet has had a rabies vaccination in the past, be sure to bring their certificate of vaccination with you to the clinic so that your pet can receive a three year vaccination. Without this certification, your pet will receive a one year vaccination. There is no charge for the vaccination but a donation of \$5 per pet is appreciated. All pets will be vaccinated regardless of their owner's ability to donate. Pet owners must be in control of their pets while at the clinic. Followings is the complete rabies clinic schedule for 2008:
