

## Broome County Number of Drivers Age 20 and Under Involved in Alcohol & Drug Related Crashes

Annual average during two year periods (1981-2004) compared to actual totals for years 2005 to current.

Data for 2006 and 2007 are not strictly comparable to prior years. Changes in New York State Department of Motor Vehicles' data collection resulted in more property damage only crashes being reported. Fatal and personal injury crash reporting did not change. Property damage reporting level is \$1,000 or more.
