

BUILDING & CODE INSPECTOR/DOG CONTROL OFFICER

DISTINGUISHING FEATURES OF THE CLASS: The incumbent in this position performs a dual function as Building & Code Inspector and Dog Control Officer in a Town. The Building & Code Inspector work involves responsibility for enforcing the New York State Uniform Fire Prevention and Building Code along with relevant municipal codes and regulations. Activities are conducted both in the office and at inspection sites. The work is performed under the general supervision of the Town Board with leeway allowed for the exercise of independent judgment in carrying out the detail of the work. The Dog Control Officer work involves responsibility for enforcing local ordinances and provisions of the New York State Agriculture and Market Law regarding the control of dogs and the care of seized dogs. The work is performed under the direction of the Town Board in accordance with established procedures, with leeway provided for the exercise of independent judgment. Does related work as required.

TYPICAL WORK ACTIVITIES:

Building & Code Inspector:

Reviews plans, blueprints and specifications for the construction or renovation of buildings for compliance with applicable codes, regulations and laws prior to issuing permits;

Inspects buildings and structures in the process of construction or repair for compliance with approved plans, specifications and all requirements of applicable ordinances, codes and laws;

Inspects existing buildings and structures to insure their conformity with safety standards;

Performs final inspections and issues certificates of occupancy for properly completed projects;

Explains the requirements of the local building code, zoning ordinance and other related laws to building contractors, owners of structures and the general public;

Orders unsafe conditions in existing structures to be rectified and arranges for condemnation notices to owners and builders of improper or hazardous structures;

Receives and investigates complaints of building, zoning, fire, illegal dumping and other local codes and takes appropriate action;

Maintains records of investigations and decisions;

Prepares periodic reports of buildings and structures, both erected and altered, of permits issued, fees collected, and estimated costs of work covered by permits.

Building & Code Inspector/Dog Control Officer - CONT'D.

Dog Control Officer:

Investigates complaints from the general public about dogs;
Institutes court actions for violation of laws regarding the control of dogs;
Patrols streets in a dog control van in search of stray dogs;
Seizes and transports stray and/or unlicensed dogs;
Locates and notifies owners of seized dogs;
Issues warnings and summonses to the owners of dogs for violations;
Maintains records of seized dogs until their disposition;
Prepares reports for the town board;
May be required to respond to calls after hours;
May appear in court as a representative of the town.
