

Welcome to Otsiningo Park

Otsiningo provides a refreshing interlude close to the urban core. 3.5 of paved trails, shared by walkers and cyclists, wind around the pond and through the park. The River Trail connects to the North Trail to Otsiningo North. With its easily-reached centralized location, easy-to-walk paved trails, ADA-compliant playground, tables, grills, open play areas, two picnic shelters, and athletic fields, Otsiningo Park offers opportunities for all to enjoy a day at the park.

Otsiningo North

The shared efforts of Broome County and the Town of Chenango transformed the former Riverfront Park into Otsiningo North. Paved trails provide access to and from Otsiningo Park, extending opportunities for bicyclists or walkers entering Otsiningo Park from Bevier St or Otsiningo North from Upper Front St.

Otsiningo North boasts an extensive soccer field complex; reservations for Otsiningo North fields may be made at townofchenango.com or call (607)648-4809 ext. 9
